FROM STUTTGART AIRPORT TO HEILBRONN BY TRAIN/TRAM:

Follow the signs to the platform inside the airport. Buy tickets at the ticket machine at the platform. Take the tram S2 from the airport to Stuttgart main station. You are going to arrive at the tram station and you must go upstairs to find the platforms, where the trains are departing. Take a train to Heilbronn. The main station in Stuttgart is under construction at the moment. So please just ask a conductor for help, if there is any confusion.
